SHARED INTEREST GROUPS

After indicating topics of interest or activities that bring you joy, identify 1-3 other people that share this interest! You all will create a space to continue to discuss the topic. Think about how you want to discuss the topic, and I will help you set that space up. Feel free to choose platforms that are not used within CPS, such as social media or text. Also, consider how often you want to chat to make sure everyone is on the same page.

Topic of Interest	Group Members	Platform for Discussion	Frequency of Discussion
What is the shared topic? It doesn't need to be exact. Maybe you all like reality TV, but different shows.	*Who had this topic in common?*	*How would you like to discuss this topic? Flipgrid? Blendspace? Email thread? Google Doc? Want to go offline with texting or calling? Use social media?*	*How often do you want to chat about this topic. If you are all interested in sports, will you connect after particular games?*
